Dear Mr. Finch:

Pursuant to your letter of October 26, 1970, I have scheduled a meeting for Monday, December 7, 1970, at 2:00 p.m. in the Pollution Control Agency offices with representatives of your Company, the Minnesota Pollution Control Agency and representatives of the City of St. Louis Park. I assume that you intended that the topic of discussion will be the Company's proposed schedule for abating and controlling sources of air and water pollution at the Company's St. Louis Park plant.

If you wish to discuss these arrangements, please contact Mr. Robert J. Lindall, Special Assistant Attorney General representing the Agency.

Yours very truly,

John P. Badalich
Executive Director
